

Fine Healthy Child Convincing Evidence

Simple Inexpensive Remedy
Checks Early Tendency to
Constipation.

About the first thing impressed on the young Mother is the necessity for regularity in her baby, which brings up the question of the most desirable laxative for children's use.

Mrs. Jesse Richardson, Philpot, Ky., says she has used Dr. Caldwell's Syrup Pepsin for the past year and that there is no medicine in the world like it. She writes, "My little son, William, Jr., just loved it, because it is so pleasant to take, and everybody talks about his being such a fine healthy boy."

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from any opiate or narcotic drug, and is the standard remedy for constipation in thousands of homes throughout the land. Drug stores everywhere sell it for fifty cents a bottle. Get a bottle of this excellent

remedy, and have it in the house. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

Dimmers on Autos.

Atlanta, April 4.—Visiting automobilists declare Atlanta streets are the hardest in the world to drive on at night because everyone uses glaring searchlights. City council of Atlanta, as a result of these complaints, has just enacted an ordinance requiring automobilists to put on dimmers to relieve the glare, but the ordinance has been a dead-letter from the day of its enactment. Atlanta automo-

bilists believe in lots of light. They say it takes all the zest out of night riding to dim their lights. They like to come plunging down the "White Way" with their headlights gleaming like the powerful rays of searchlights used to locate Zeppelins in raids over London. They have politely but firmly refused to pay and attention to the dimmer ordinance, and so far the police are permitting them to have their way.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

25-cent bottle destroys dandruff
and doubles beauty of your
hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes, that really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

ANDERSON MAN TELLS OF WONDERFUL RESULT

T. F. DARBY GAINS 20
POUNDS ON SIX BOTTLES
OF TANLAC

AGONY WAS AWFUL

Says Milk Nor Water Would Stay
on Stomach Long Enough to
Get Warm.

"I have gained twenty (20) pounds in weight and have relieved an ailment with which I suffered for almost a year and which had baffled the leading physicians in a number of cities. That is what just six bottles of Tanlac, the medicine you call the master medicine, has done for me."

The speaker of this more than remarkable statement was T. F. Darby, an automobile mechanic employed by The Central Garage, Anderson, who resides at 127 North McDuffie St. Mr. Darby was for a year foreman of the Gibbs Machinery Co. of Columbia, one of the largest firms of the kind in the South, but, he explained, ill health forced his removal from Columbia in search of a satisfactory change in climate. But, it was not the climate, he found, that caused his suffering.

Regarding his suffering and the relief Tanlac quickly gave him, Mr. Darby said:

"I suffered with nervous indigestion for almost a year. I lost a great deal of weight, my stomach left me, and I got to where I could not work. I would suffer awful agony after eating, and neither sweet milk nor water would stay on my stomach long enough to get warm. I would get so nervous I could not control myself. I'll tell you the truth, I was in an awful condition."

"One time at Atlanta, where I had been to consult a specialist, I got on a train and when I realized where I was I was at Gainesville. I had been suffering so I had lost interest in everything. My wife got to where she was afraid for me to come up town by myself, for fear I could not get home if one of those attacks hit me, which came every time I ate anything."

"My heart began to go bad under the strain. One night it felt as if it would burst and I perspired so I felt as if I had been rained on. I tried every way and everything I knew of or was told of to get relief, but failed. But, down at Columbia one day a friend of mine told me to take Tanlac. I bought a bottle."

"Six bottles banished every bit of that nervous indigestion. I gained twenty pounds while taking it, and am in fine shape now. I can eat a hearty meal without suffering afterwards. I am strong, lively and happy, and my nerves are in fine condition. My kidneys, which gave me a great deal of trouble, are in good condition now, thanks to Tanlac. I can't get enough to eat, and have to fight against eating too much. I sure can recommend Tanlac. It is a wonderful medicine."

Tanlac, the master medicine is sold exclusively in Anderson by Evans' Pharmacy.—Adv
